## OBJECTIVE

---

Creative and results-driven computer science student with strong attention to detail. Seeking a **Software Engineer Intern** role to apply and enhance my technical skills, and contribute to innovative projects in a collaborative environment.

## EXPERIENCE

---

**Laboratory Teaching Assistant** Aug 2024 – Dec 2024  
**FAST National University of Computer and Emerging Sciences** Islamabad, PK

- Assisted in delivering the *Data Structures (CL2001)* lab course for 60+ undergraduate students.
- Evaluated programming classwork and provided one-on-one debugging/testing support in C++.

## EDUCATION

---

**Bachelor of Science (B.S.) in Computer Science** Aug 2022 – Aug 2027  
**FAST National University of Computer & Emerging Sciences** Islamabad, PK

- Coursework: Data Structures, Object-Oriented Programming, Database Systems, Operating Systems, Artificial Intelligence, Algorithm Design & Analysis, Computer Networks

**GCE A Level in Pre-Engineering** Aug 2020 – Aug 2022  
**Beaconhouse College Programme** Islamabad, PK

- Coursework: Mathematics, Chemistry, Physics

## PROJECTS

---

### Website Optimisation

- Optimised content and meta tags on a website, enhancing the UI and improving its adaptability for all screen sizes.
- Cleaned the root directory, organising assets within specified folders.
- Utilised version control with GitHub to integrate all updates into the original site.

### CoinWars

- Programmed a GUI-based human vs computer maze game in C++ SFML.
- Developed battle logic and win conditions based on combat elimination.
- Implemented an AVL tree-based scoreboard and a shortest-path algorithm for game mechanics.

### Chess

- Collaborated on a 2-player chess game in C++ for command-line interfaces.
- Programmed game mechanics, move validation, and turn-based logic.

### Portfolio Website

- Created a personal website using HTML and CSS to showcase my projects.

## SKILLS

---

**Computing Languages:** C/C++, HTML, CSS, Python, SQL

**Tools & Technologies:** GitHub, Ubuntu, Visual Studio, Visual Studio Code, Microsoft SQL Server

**Miscellaneous Skills:** Technical Writing, Attention to Detail, Teamwork
